

Grants for fly tipping prevention

The Scottish Golf Environmental Group has been made aware of a new grant available for fly tipping prevention and clear up.

Landowners, Land Managers, communities and duty bodies may be eligible to apply for up to £10,000 to clear up fly tipping and/or install preventative measures at a fly tipping hotspot on their land. As you know, fly tipping can have a negative impact on wildlife, tourism and local communities.

The closing date for applications is **Friday the 9th of September**. Further information and an online application form can be found at <http://www.dumbdumpers.org/flytipping/>
